Dear Mr. Blake

I am Thankfull For  
Your Concern of ~~the~~ our  
State Land's and resoures.  
When I Signed This Con-  
tract With the State, it was  
With the understanding That  
I Was responsible for any  
Damage done and that I would  
reclaim Such as the Law re-  
quires. I have other respon-  
siblitys, obligations and Con-  
tracts That are based on my  
Ten year lease. I have done  
Nothing unlawfull (that I am  
aware of) That woud jeopardize  
my lease. I bekire That I must  
Live by The Law OF The Land.  
I expect Those That are  
representatives of our State  
To do The Same.

Very Sincerley

James W Hill
